

# Presidents Report

Welcome to our 2<sup>nd</sup> edition newsletter for the 2009 season.

Our meeting started at Glenmac Sales & Service. An independently owned John Deere Dealership. Tony Toth the dealer principal welcomed all the VTETA members.

The first of many presentations were introduced by Kane Wauchope. We were fortunate enough to see the new series of John Deere cutting units which look very exciting, for the technicians.

Kane spoke about all the new changes John Deere had engineered. A new era in cutting unit design and technology.

A presentation of electrical diagnosis followed, this keeps our turf technicians up to date. The group covered a lot of topics including diagnosis and testing for electrical procedures.

After lunch we held our general meeting, we had a good attendance for the day. A big thanks to Glenmac Sales & Service for hosting the meeting.

We are still looking for volunteers to write an article for the Australian Turf Grass Journal. Please contact one of the Committee members, or email Luke Spartalis at:

[luke@vteta.info](mailto:luke@vteta.info)

Our next meeting will be held on the Tuesday, 4<sup>th</sup> August 2009 at Metro Turf Machinery.

21 Drovers Place  
Pakenham Vic 3810

Ph: 03 5940-3684  
Mob: 0417 684 934

Please RSVP to Tony Hopcraft for catering purposes by Friday 31<sup>st</sup> July 2009.

Looking forward to seeing everyone on the day.

Regards
