

Presidents Report

Welcome to our 3rd edition newsletter for 2009.

Our recent meeting was held at Metro Turf Machinery Pty Ltd. We started the day with Tim Magee, Managing Director. Tim introduced all the team at Metro Turf. Metro Turf is the sole Victorian Dealer for Jacobsen and Ransomes Turf Equipment.

The company also can supply John Deere, Toro and Bad Boy.

Tim gave us a good insight about Metro Turf and it's history. We broke up into 4 groups for about 35mins. Dave Merrigan showed us the way Metro Turf focus on their cylinder grinding procedures.

Brent Mounter took a session on Business Management and most importantly feedback, which was very informative.

The other session was hosted by Ray Grech, who gave us a very good presentation on battery management and electrical diagnosis.

After a great lunch again, we then held our General Meeting. Thanks to all at Metro Turf, the day was a great success. Thanks also to Lisa Magee for all her help on the day.

We had a pretty good attendance from members. Don't forget about the Silvan Turf Technicians Award Forms. Please get them into your managers asap.
